

50ml Bora Roll-On PP

SKU/Product ID/Reference:

EL-EX4015

Product Description:

The 50ml Bora Roll-On features a 42mm screw neck and we are able to offer this with the EZ4158 Flat Top Gloss closure as well as our own ball component. Roll-Ons are well known for their use in the beauty and personal care sector for use with deodorants and fragrance products, they can also be used for sunscreen and repellent along with other applications for lotions and body care formulas. This container is made in plastic PP and is available with Post Consumer Recycled (PCR) material. The 50ml Bora Roll-On has an area suitable for printing and labelling. This bottle can be recycled where recycling facilities exist.

Circular Solutions:

 Improved recyclability,  Recycled plastic
