

20 mL Magic SL Light with 1 mL Output

Product Description:

Magic SL Light is the latest enhancement of the well-known Magic SL airless dispenser and provides the same high quality performance, outstanding protection and robust product compatibility. Magic SL Light has been now improved with an all plastic version incorporating a plastic spring and has achieved a significant weight saving. Magic SL Light is available in 20, 30, and 50 ml.

Circular Solutions:

 Reduced Carbon Footprint

Features and Benefits

- 100% plastic
- Plastic spring reduces weight by 26% and makes the package fully recyclable
- Protects formula from oxygen to help extend shelf-life and reduce the need for harsh preservatives
- Over 95% product evacuation rate reduces product waste
- 50ml with 1mL output Certified AAA 'Excellent Recyclability' by Cyclos-HTP*

Lohne, Germany offering: 20, 30, 50 mL with 1 mL output
