

## 250ml Domino HDPE

### SKU/Product ID/Reference:

MH-5F65

### Product Description:

The 250ml Domino bottle offers high impact shelf presence with its wide, broad and flat surfaces. The 75mm wide flat front panel makes it ideal for retail, enabling a high impact shelf presence. It offers the ability to customize for your brand with the unique feature of bespoke embossing or debossing for a textured consumer experience at an affordable price. It offers large areas on all the panels if embossing is not chosen suitable for printing, sleeving and labelling. It is suitable for a wide variety of products in the Haircare, Skincare, Baby care, Sun care, Men's grooming, within the Personal Care sector. This bottle is made in plastic HDPE/PP and can incorporate Post Consumer Recycled (PCR). This bottle is widely recycled. The Berry Global B Circular Range are an innovative range of packaging and product solutions that leverages our engineering expertise and proprietary processes in the design for circularity to reduce products' impact on the environment, focusing on helping brand owners meet and exceed their sustainability goals. As well as being pairing with the all-plastic Wave2cc pump for improved recyclability, a reducer plug / neck insert option is available on the Domino rectangular bottle

### Circular Solutions:

 Improved recyclability,  Recycled plastic

## Features and Benefits
