

🌱 Exclusive Refill 20ml

Product Description:

The choice of 15ml, 20ml, 25ml, 50ml and 75ml within the Exclusive Refill Stick makes it the ideal packaging solution for a wide variety of personal care and beauty applications. Our most modern and on trend shape, with its straight sides seamlessly applying across both the stick and cap, creating an attractive profile and large platform for branding. With a wide choice of colours and decoration options for complete personalisation, each pack can precisely support your specific brand objectives while leveraging the trend towards stick applicators.

Circular Solutions:

- 🌱 Recycled plastic, 🌱 Reuse/refill

Features and Benefits

Consumer convenience

- Easy refill without having to remember any parts for refilling in store
- **Mess free** – reduced risk of contact with the product formula when replacing the refill
- Being refill and reuse, the packaging encourages consumers to stay **brand loyal**
- Choice of sizes: ideal capacity for sun cream, lipcare, face and neck care, as well as deodorant and cosmetics

Mono-material, 100% polypropylene which is designed to be widely recyclable

Available in Berry's CleanStream *post-consumer resin* PCR*
